## Subject Index

### Abdominal wall

- bimodal distribution of the blood supply to lower abdominal fat: histological study of the microcirculation of the lower abdominal wall (El-Mrakby et al), 2003;50:165
- dynamic reconstruction of large abdominal defects using a free rectus femoris musculocutaneous flap with normal motor function (Koshima et al), 2003;50:420(Case report)
- influence of vascular delay on abdominal wall complications in unipedicled TRAM flap breast reconstruction (Rickard et al), 2003;50:138
- preoperative pneumoperitoneum used for tissue expansion before abdominal wall reconstruction (Braye et al), 2003;50:649(Case report)
- revascularization of human acellular dermis in full-thickness abdominal wall reconstruction in the rabbit model (Menon et al), 2003;50:523
- successful closure of abdominal wall hernias using the components separation technique (Ewart et al), 2003;50:269

### Acellular dermis

- revascularization of human acellular dermis in full-thickness abdominal wall reconstruction in the rabbit model (Menon et al), 2003;50:523

### Achilles tendon

- one-stage reconstruction of soft tissue and Achilles tendon defects using a composite free anterolateral thigh flap with vascularized fascia lata: clinical experience and functional assessment (Kuo et al), 2003;50:148
- single-stage Achilles tendon reconstruction using a composite sensate free flap of dorsalis pedis and tendon strips of the extensor digitorum longus in a complex wound (Kim et al), 2003;50:653(Case report)

### Adolescents

- attitudes of adolescents about cosmetic surgery (Pearl and Weston), 2003;50:628

### Aesthetic surgery

- aesthetic surgery 101: resident education in aesthetic surgery, the MGH experience (May Jr), 2003;50:561

### Aging

- age-dependent changes of postischemic reperfusion in rat skin (Inoue et al), 2003;50:64
- age-related differences of neutrophil activation in a skeletal muscle ischemia-reperfusion model (Mowlavi et al), 2003;50:403

### Amputation

- factors affecting composite graft survival in digital tip amputations (Heistein and Cook), 2003;50:299
- heterotopic replantation in mutilating hand injury (An et al), 2003;50:113

- reconstruction after total penile amputation and emasculation (Shaw et al), 2003;50:321(Case report)

### Analgesia

- preemptive analgesia and a field block technique in reduction mammoplasty (Karacalar et al), 2003;50:667(Letter)

### Anastomosis

- reactive thrombocytosis without endothelial damage does not affect the microvascular anastomotic patency (Kuo et al), 2003;50:57

### Anesthesia, local

- about local anesthesia infiltration (Abenavoli and Corelli), 2003;50:666(Letter)
- outpatient urethrocutaneous fistula repair with local anesthesia in adult patients (Şahin et al), 2003;50:378
- use of the real tumescent technique: anesthesia in the surgical management of lip cancer (Karacalar et al), 2003;50:107(Letter)

### Ankle

- various applications of the medial plantar flap to cover the defects of the plantar foot, posterior heel, and ankle (Acikel et al), 2003;50:498

### Anthrax

- cutaneous anthrax of the eyelid (Terzioglu, Reply by Bekerecioglu), 2003;50:104(Letters)

### Areola

- breast-aerola-nipple proportion (Hauben et al), 2003;50:510

### Aspirin

- outcome of aspirin use during excision of cutaneous lesions (Shalom and Wong), 2003;50:296

### Auricular deformity

- correction of auricular deformity caused by high ear-piercing (Iida et al), 2003;50:82(Case report)

### Autologic skin

- vertical (two-layer) skin grafting: new reserves for autologic skin (Kogan and Govrin-Yehudain), 2003;50:514

### Ball lightning

- ball lightning burn (Selvaggi et al), 2003;50:541(Case report)

### Bioabsorbable rods

- osteosynthesis in digital replantation using bioabsorbable rods (Arata et al), 2003;50:350

### Biopsy

- sentinel lymph node biopsy for the T1 (thin) melanoma: Is it necessary (Nahabedian et al), 2003;50:601

### Blepharoplasty

- lateral septoaponeurotic artery: source of bleeding in blepharoplasty performed in Asians (Hwang et al), 2003;50:156

- upper blepharoplasty with lateral segmental orbicularis excision (Widgerow), 2003;50:471
- Blepharoptosis**
  - use of orbicularis oculi muscle flap for undercorrected blepharoptosis with previous levator muscle resection (Tsai et al), 2003;50:292
- Body piercing**
  - correction of auricular deformity caused by high ear-piercing (Iida et al), 2003;50:82(Case report)
- Bone**
  - biological alchemy: engineering bone and fat from fat-derived stem cells (Lee et al), 2003;50:610
- Book reviews**
  - The Diabetic Foot: Medical and Surgical Management*, by Veves et al (Wakefield), 2003; 50:326
  - Hand Pearls*, by Concannon and Hurov (Kalliainen), 2003;50:439
  - Hand Surgery: A Clinical Atlas*, by Hentz and Chase (Chung), 2003;50:326
  - Total Burn Care*, 2nd Ed., by Herndon (Garner), 2003;50:439
- Bowenoid papulosis**
  - bowenoid papulosis (Kargi et al), 2003;50:109(Letter)
- Breast cancer**
  - impact of immediate reconstruction on the local recurrence of breast cancer after mastectomy (Murphy Jr et al), 2003;50:333
  - management of breast cancer identified intraoperatively during reduction mammoplasty (Butler et al), 2003;50:193
  - tissue expansion after inverted-T mammoplasty: can it be performed successfully? (Kilgo et al), 2003;50:588
  - TRAM flap breast reconstruction for patients with advanced breast disease (Behnam et al), 2003;50: 567
- Breast implants**
  - bends of the breast (Kamien), 2003;50:440(Letter)
  - characteristics of women with cosmetic breast implants compared with women with other types of cosmetic surgery and population based controls in Denmark (Kjøller et al), 2003;50:6
  - fate of exposed breast implants in augmentation mammoplasty (Fodor et al), 2003;50:447
  - role of connective tissue growth factor in breast implant elastomer capsular formation (Mazaheri et al), 2003;50:263
- Breast reconstruction**
  - bimodal distribution of the blood supply to lower abdominal fat: histological study of the microcirculation of the lower abdominal wall (El-Mrakby et al), 2003;50:164
  - breast-aerola-nipple proportion (Hauben et al), 2003;50:510
  - breast reconstruction in the elderly: preserving excellent quality of life (Giroto et al), 2003;50: 572
  - deep inferior epigastric perforator flap: a modification that simplifies elevation (Stanec et al), 2003;50:120
  - effects of abdominal midline incision on the survival of the transverse rectus abdominis musculocutaneous flap in the rat model (Han et al), 2003;50:171
  - extended TRAM flap: feasibility study on fresh human cadavers (Zenn and Heitmann), 2003;50: 256
  - free perforator crossover tram flap for breast reconstruction (Lam et al), 2003;50:126
  - influence of vascular delay on abdominal wall complications in unipedicled TRAM flap breast reconstruction (Rickard et al), 2003;50:138
  - inframammary fold reconstruction with a deepithelialized skin flap (Wechselberger et al), 2003;50:433(Tips and techniques)
  - new technique for nipple areola reconstruction: arrow flat and rib cartilage graft for long-lasting nipple projection (Guerra et al), 2003;50:31
  - perforator flaps: evolution, classification, and applications (Geddes et al), 2003;50:91(Review article)
  - preoperative pneumoperitoneum used for tissue expansion before abdominal wall reconstruction (Braye et al), 2003;50:649(Case report)
  - rotation flap of the anterior rectus abdominis sheath for hernia prevention in TRAM breast reconstruction (Amir et al), 2003;50:207(Tips and techniques)
  - skin expansion before breast reconstruction with the superior gluteal artery perforator flap improves aesthetic outcome (Gurunluoglu et al), 2003;50:475
  - skin-sparing mastectomy flap complications after breast reconstruction: review of incidence, management, and outcome (Hultman and Daiza), 2003;50:249
  - TRAM flap breast reconstruction for patients with advanced breast disease (Behnam et al), 2003;50: 567
  - transfusion requirements for TRAM flap postmastectomy breast reconstruction (Tzilinis et al), 2003;50:623
  - use of internal mammary vessel perforator as a recipient vessel for free TRAM breast reconstruction (Park et al), 2003;50:132
- Breast reduction**
  - innovations to the vertical reduction mammoplasty: making the transition (Chen et al), 2003;50:579
- Buccal mucosa**
  - use of buccal mucosal grafts in hypospadias-crippled adult patients (Şahin and Seyhan), 2003;50:382
- Burns**
  - ball lightning burn (Selvaggi et al), 2003;50:541(Case report)
  - treatment of burn scars with the erbium:YAG laser (Aslan et al), 2003;50:222(Letter)
  - vertical (two-layer) skin grafting: new reserves for

autolog skin (Kogan and Govrin-Yehudain), 2003;50:514

### **Calf reduction**

innervation of calf muscles in relation to calf reduction (Hwang et al), 2003;50:517

### **Cancer.** *see also* specific type or site

management of lower lip cancer: a retrospective analysis of 118 patients and review of the literature (Bilkay et al), 2003;50:43

reconstruction of an oral cavity defect resulting from verrucous carcinoma with a prefabricated parietal galeal flap (Aytekin et al), 2003;50:106(Letter)

use of oncogene expression as an independent prognostic marker for primary melanoma (Grover et al), 2003;50:183

use of the real tumescent technique: anesthesia in the surgical management of lip cancer (Karacalar et al), 2003;50:107(Letter)

### **Capsular formation**

role of connective tissue growth factor in breast implant elastomer capsular formation (Mazaheri et al), 2003;50:263

### **Cartilage formation**

effect of lyophilized heterologous collagen on new cartilage formation from perichondrial flaps in rabbits: an experimental study (Özbek et al), 2003;50:528

### **Cartilage graft**

growth difference of multilayer onlay cartilage grafts in rabbit ears (Hwang et al), 2003;50:177

### **Case reports**

ball lightning burn (Selvaggi et al), 2003;50:541  
bilateral eyebrow reconstruction using a unilateral extended superficial temporal artery flap (Kajikawa and Ueda), 2003;50:416

cleft palate with congenital midline teratoma (Liang et al), 2003;50:550

correction of auricular deformity caused by high ear-piercing (Iida et al), 2003;50:82

delayed seroma formation secondary to docetaxel (Sultan and Madhere), 2003;50:429

desmoplastic melanoma of the nail (Parodi et al), 2003;50:658

dynamic reconstruction of large abdominal defects using a free rectus femoris musculocutaneous flap with normal motor function (Koshima et al), 2003;50:420

first successful replantation of face and scalp with single-artery repair: model for face and scalp transplantation (Wilhelmi et al), 2003;50:535

free anterolateral thigh perforator flap for reconstruction of dystrophic epidermolysis bullosa-associated squamous cell carcinoma in the foot (Hsieh et al), 2003;50:201(Case report)  
glans, urethra, and corporeal body reconstruction by free osteocutaneous forearm flap transfer (Santanelli and Paolini), 2003;50:545

juvenile xanthogranuloma invading the muscles in the head and neck: clinicopathological case report (Margulis et al), 2003;50:425

Melkersson-Rosenthal syndrome in the periocular area: a review of the literature and case report (Shapiro et al), 2003;50:644

nodal metastatic melanoma in the neck of a 4-year-old girl after diagnosis of Spitz nevus of the cheek (Reynolds et al), 2003;50:555

preoperative pneumoperitoneum used for tissue expansion before abdominal wall reconstruction (Braye et al), 2003;50:649

reconstruction after total penile amputation and emasculation (Shaw et al), 2003;50:321

resurfacing of a totally degloved hand using thin perforator-based cutaneous free flaps (Kim et al), 2003;50:77

simple approach to the radiated scalp wound using INTEGRA skin substitute (Gonyon and Zenn), 2003;50:315

single-stage Achilles tendon reconstruction using a composite sensate free flap of dorsalis pedis and tendon strips of the extensor digitorum longus in a complex wound (Kim et al), 2003;50:653

subglanular stricture: rare penile anomaly resulting from circumcision (Coban), 2003;50:198(Case report)

surgical correction of trismus in a child with Hecht syndrome (Lefaiivre and Aitchison), 2003;50:310

vulvo-perineal reconstruction: medial thigh septo-fascio-cutaneous island flap (Persichetti et al), 2003;50:85

### **Cheek**

nodal metastatic melanoma in the neck of a 4-year-old girl after diagnosis of Spitz nevus of the cheek (Reynolds et al), 2003;50:555

### **Circumcision**

circumcision as an unusual cause of penile lymphedema (Yıldırım et al), 2003;50:665(Letter)

subglanular stricture: rare penile anomaly resulting from circumcision (Coban), 2003;50:198(Case report)

### **Cleft lip and palate**

the cleft lateral lip element: do traditional markings result in secondary deformities? (Losee et al), 2003;50:594

cleft palate with congenital midline teratoma (Liang et al), 2003;50:550(Case report)

composite earlobe grafts to reconstruct the lateral nasal ala and sill (Friedman et al), 2003;50:275

palatal surface area measurement: comparisons among different cleft types (Lo et al), 2003;50:18

use of octyl-2-cyanoacrylate in cleft lip repair (Magee et al), 2003;50:1

### **Collagen**

effect of lyophilized heterologous collagen on new cartilage formation from perichondrial flaps in rabbits: an experimental study (Özbek et al), 2003;50:528

**Components separation technique**

successful closure of abdominal wall hernias using the components separation technique (Ewart et al), 2003;50:269

**Conchal graft**

conchal graft (Abenavoli et al), 2003;50:668(Letter)

**Connective tissue growth factor**

role of connective tissue growth factor in breast implant elastomer capsular formation (Mazaheri et al), 2003;50:263

**Corporeal body**

glans, urethra, and corporeal body reconstruction by free osteocutaneous forearm flap transfer (Santanelli and Paolini), 2003;50:545(Case report)

**Cosmetic surgery**

attitudes of adolescents about cosmetic surgery (Pearl and Weston), 2003;50:628  
characteristics of women with cosmetic breast implants compared with women with other types of cosmetic surgery and population based controls in Denmark (Kjøller et al), 2003;50:6

**Cutaneous lesions**

outcome of aspirin use during excision of cutaneous lesions (Shalom and Wong), 2003;50:296

**Cutaneous vasculature**

cutaneous vasculature of the forearm (Kanellakos et al), 2003;50:387

**Deep tissue defects**

local perforator flap for reconstruction of deep tissue defects in the elbow area (Frost-Arner and Björgell), 2003;50:491

**Depressor septi nasi muscle**

anatomic basis of notch deformity in open rhinoplasty (Gamboa et al), 2003;50:282

**Digital camera**

easy method of capturing microscopical images by using a consumer-type digital camera (Sönmez et al), 2003;50:204(Tips and techniques)

**Digital replantation**

osteosynthesis in digital replantation using bioabsorbable rods (Arata et al), 2003;50:350

**Docetaxel**

delayed seroma formation secondary to docetaxel (Sultan and Madhere), 2003;50:429(Case report)

**Donor site**

modification of split-thickness skin graft: cosmetic donor site and better recipient site (Chuenkongkaew), 2003;50:212(Tips and techniques)

**Dupuytren's disease**

microarray gene analysis and expression profiles of Dupuytren's contracture (Pan et al), 2003;50:618

**Dystrophic epidermolysis bullosa**

free anterolateral thigh perforator flap for reconstruction of dystrophic epidermolysis bullosa-associated squamous cell carcinoma in the foot (Hsieh et al), 2003;50:201(Case report)

**Ear**

correction of auricular deformity caused by high ear-piercing (Iida et al), 2003;50:82(Case report)  
growth difference of multilayer onlay cartilage grafts in rabbit ears (Hwang et al), 2003;50:177

**Earlobe grafts**

composite earlobe grafts to reconstruct the lateral nasal ala and sill (Friedman et al), 2003;50:275

**Editorials**

a case in point (Morain), 100  
eat your heart out, *Washington Post* (Morain and Gorney), 2003;50:325  
the four phases of deployment (Disa), 2003;50:558  
let's rock (Morain), 2003;50:663  
lifelong learner/lifelong teacher (Ruberg), 2003;50:220  
three's a crowd (Morain), 2003;50:437

**Elbow**

local perforator flap for reconstruction of deep tissue defects in the elbow area (Frost-Arner and Björgell), 2003;50:491

**Elderly patients**

breast reconstruction in the elderly: preserving excellent quality of life (Giroto et al), 2003;50:572

**Emasculation**

reconstruction after total penile amputation and emasculation (Shaw et al), 2003;50:321(Case report)

**Epidermolysis bullosa**

surgical treatment of recessive dystrophic epidermolysis bullosa in the hand: uses of tissue-engineered skin (Apligraf) (Phillips and Rockwell), 2003;50:441(Letter)

**Epineural sheath**

turnover epineural sheath tube in primary repair of peripheral nerves (Meek and Coert, reply by Yavuzer), 2003;50:328(Letter)

**Er:YAG laser**

treatment of burn scars with the erbium:YAG laser (Aslan et al), 2003;50:222(Letter)

**Eyebrow**

bilateral eyebrow reconstruction using a unilateral extended superficial temporal artery flap (Kajikawa and Ueda), 2003;50:416(Case report)

**Eyelid**

cutaneous anthrax of the eyelid (Terzioglu, Reply by Bekerecioglu), 2003;50:104(Letter), 2003;50:104(Letters)  
lateral septoaponeurotic artery: source of bleeding in blepharoplasty performed in Asians (Hwang et al), 2003;50:156  
upper blepharoplasty with lateral segmental orbicularis excision (Widgerow), 2003;50:471

**Face**

first successful replantation of face and scalp with single-artery repair: model for face and scalp transplantation (Wilhelmi et al), 2003;50:535(Case report)

**Facial atrophy**

facial atrophy in HIV-related fat redistribution syndrome: anatomic evaluation and surgical reconstruction (Hodgkinson), 2003;50:328(Letter)

**Facial defects**

early rehabilitation of facial defects using interim removable prostheses: report of two clinical cases (Toljanic et al), 2003;50:188(Case report)

**Facial palsy**

Melkersson-Rosenthal syndrome in the periocular area: a review of the literature and case report (Shapiro et al), 2003;50:644(Case report)

**Fat**

biological alchemy: engineering bone and fat from fat-derived stem cells (Lee et al), 2003;50:610  
future of fat as raw material for tissue regeneration (De Ugarte et al), 2003;50:215

**Fat necrosis**

bimodal distribution of the blood supply to lower abdominal fat: histological study of the microcirculation of the lower abdominal wall (El-Mrakby et al), 2003;50:164

**Fat redistribution syndrome**

facial atrophy in HIV-related fat redistribution syndrome: anatomic evaluation and surgical reconstruction (Hodgkinson), 2003;50:328(Letter)

**Feet**

reconstruction of through-and-through gunshot wounds to the feet with free gracilis muscle flaps (Pu et al), 2003;50:286

**Fibrin**

hemostatic effect of Vivostat patient-derived fibrin sealant on split-thickness skin graft donor sites (Drake and Wong), 2003;50:367

**Fibroblasts, keloid**

effect of mitomycin C on keloid fibroblasts: an in vitro study (Simman et al), 2003;50:71

**Fibroproliferative disorder**

microarray gene analysis and expression profiles of Dupuytren's contracture (Pan et al), 2003;50:618

**Fingertip**

factors affecting composite graft survival in digital tip amputations (Heistein and Cook), 2003;50:299

**Flap, adipofascial**

perforator-based forearm and hand adipofascial flaps for the coverage of difficult dorsal hand wounds (Uysal et al, Reply by Medalie), 2003;50:103(Letters)

**Flap, advancement**

V-Y advancement flap (Peled), 2003;50:102(Letter)

**Flap, arrow**

new technique for nipple areola reconstruction: arrow flat and rib cartilage graft for long-lasting nipple projection (Guerra et al), 2003;50:31

**Flap, extended TRAM**

extended TRAM flap: feasibility study on fresh human cadavers (Zenn and Heitmann), 2003;50:256  
TRAM flap breast reconstruction for patients with

advanced breast disease (Behnam et al), 2003;50:567

transfusion requirements for TRAM flap postmastectomy breast reconstruction (Tzilianis et al), 2003;50:623

**Flap, fasciocutaneous**

fasciocutaneous flap to treat verneuil disease (hidradenitis suppurative) in the axillary region (Giovannini et al), 2003;50:108(Letter)

**Flap, free**

free flap coverage of upper and lower limb tissue defects in children: a series of 22 patients (Duteille et al), 2003;50:344

glans, urethra, and corporeal body reconstruction by free osteocutaneous forearm flap transfer (Santaneli and Paolini), 2003;50:545(Case report)

one-stage reconstruction of soft tissue and Achilles tendon defects using a composite free anterolateral thigh flap with vascularized fascia lata: clinical experience and functional assessment (Kuo et al), 2003;50:148

resurfacing of a totally degloved hand using thin perforator-based cutaneous free flaps (Kim et al), 2003;50:77(Case report)

short-term postoperative flow changes after free radial forearm flap transfer: possible cause of vascular occlusion (Ichinose et al), 2003;50:160  
single-stage Achilles tendon reconstruction using a composite sensate free flap of dorsalis pedis and tendon strips of the extensor digitorum longus in a complex wound (Kim et al), 2003;50:653(Case report)

swallowing function in patients who underwent hemiglossectomy: comparison of primary closure and free radial forearm flap reconstruction with videofluoroscopy (Hsiao et al), 2003;50:450

**Flap, free gracilis muscle**

reconstruction of through-and-through gunshot wounds to the feet with free gracilis muscle flaps (Pu et al), 2003;50:286

**Flap, free musculocutaneous**

pedicle or free musculocutaneous flaps for shoulder defects after oncological resection (Ihara et al), 2003;50:361

**Flap, gluteal**

interdigitating fasciocutaneous gluteal V-Y advancement flaps for reconstruction of sacral defects (Ay et al), 2003;50:636

**Flap, island**

vulvo-perineal reconstruction: medial thigh septo-fascio-cutaneous island flap (Persichetti et al), 2003;50:85(Case report)

**Flap, medial plantar**

various applications of the medial plantar flap to cover the defects of the plantar foot, posterior heel, and ankle (Acikel et al), 2003;50:498

**Flap, muscle**

reconsidering the soleus muscle flap for coverage of wounds of the distal third of the leg (Beck et al), 2003;50:631

**Flap, musculocutaneous**

- dynamic reconstruction of large abdominal defects using a free rectus femoris musculocutaneous flap with normal motor function (Koshima et al), 2003;50:420(Case report)
- effects of abdominal midline incision on the survival of the transverse rectus abdominis musculocutaneous flap in the rat model (Han et al), 2003;50:171
- orbital reconstruction after exenteration: use of a transorbital temporal muscle flap (Menon et al), 2003;50:38

**Flap, orbicularis oculi**

- use of orbicularis oculi muscle flap for undercorrected blepharoptosis with previous levator muscle resection (Tsai et al), 2003;50:292

**Flap, parietal galeal**

- reconstruction of an oral cavity defect resulting from verrucous carcinoma with a prefabricated parietal galeal flap (Aytekin et al), 2003;50:106(Letter)

**Flap, pedicle**

- pedicle or free musculocutaneous flaps for shoulder defects after oncological resection (Ihara et al), 2003;50:361

**Flap, perforator**

- cranial epigastric perforator flap: a rat model of a true perforator flap (Hallock and Rice), 2003;50:393
- deep inferior epigastric perforator flap: a modification that simplifies elevation (Stanec et al), 2003;50:120
- free anterolateral thigh perforator flap for reconstruction of dystrophic epidermolysis bullosa-associated squamous cell carcinoma in the foot (Hsieh et al), 2003;50:201(Case report)
- free perforator crossover tram flap for breast reconstruction (Lam et al), 2003;50:126
- influence of vascular delay on abdominal wall complications in unipedicled TRAM flap breast reconstruction (Rickard et al), 2003;50:138
- local perforator flap for reconstruction of deep tissue defects in the elbow area (Frost-Arner and Björgell), 2003;50:491
- perforator flaps: evolution, classification, and applications (Geddes et al), 2003;50:91(Review article)
- skin expansion before breast reconstruction with the superior gluteal artery perforator flap improves aesthetic outcome (Gurunluoglu et al), 2003;50:475
- use of internal mammary vessel perforator as a recipient vessel for free TRAM breast reconstruction (Park et al), 2003;50:132

**Flap, perichondrial**

- effect of lyophilized heterologous collagen on new cartilage formation from perichondrial flaps in rabbits: an experimental study (Özbek et al), 2003;50:528

**Flap, pharyngeal**

- short-term and long-term results of speech improvement after surgery for velopharyngeal insufficiency with pharyngeal flaps in patients younger and older than 6 years old: 10-year experience, 2003;50:13

**Flap, rotated**

- hemiphiltrum rotated flap (Velasco et al), 2003;50:480
- rotation flap of the anterior rectus abdominis sheath for hernia prevention in TRAM breast reconstruction (Amir et al), 2003;50:207(Tips and techniques)

**Flap, sartorius muscle**

- coverage of difficult wounds around the knee joint with prefabricated distally based sartorius muscle flap (Hong et al), 2003;50:484

**Flap, skin**

- dual preconditioning: effects of pharmacological plus ischemic preconditioning on skin flap survival (Hosnater et al), 2003;50:398
- inframammary fold reconstruction with a deepithelialized skin flap (Wechselberger et al), 2003;50:433(Tips and techniques)

**Flap, temporal artery**

- bilateral eyebrow reconstruction using a unilateral extended superficial temporal artery flap (Kajikawa and Ueda), 2003;50:416(Case report)

**Flap, tubed pedicle**

- effect of hyperbaric oxygen therapy on the tubed pedicle flap survival in a rat model (Richards et al), 2003;50:51

**Flap complications**

- skin-sparing mastectomy flap complications after breast reconstruction: review of incidence, management, and outcome (Hultman and Daiza), 2003;50:249

**Foot**

- free anterolateral thigh perforator flap for reconstruction of dystrophic epidermolysis bullosa-associated squamous cell carcinoma in the foot (Hsieh et al), 2003;50:201(Case report)
- various applications of the medial plantar flap to cover the defects of the plantar foot, posterior heel, and ankle (Acikel et al), 2003;50:498

**Forearm**

- cutaneous vasculature of the forearm (Kanellakos et al), 2003;50:387

**Forehead**

- malignant clear-cell hidradenoma associated with pseudoepitheliomatous hyperplasia on the forehead (Harada et al), 2003;50:443(Letter)

**Freeman-Sheldon syndrome**

- surgical management of the hand in Freeman-Sheldon syndrome (Kalliainen et al), 2003;50:456

**Frozen section**

- how accurate is frozen section for skin cancers? (Manstein et al), 2003;50:607

**Gene analysis**

- microarray gene analysis and expression profiles of Dupuytren's contracture (Pan et al), 2003;50:618
- Glans**  
glans, urethra, and corporeal body reconstruction by free osteocutaneous forearm flap transfer (Santanelli and Paolini), 2003;50:545(Case report)
- Gluteus maximus**  
interdigitating fasciocutaneous gluteal V-Y advancement flaps for reconstruction of sacral defects (Ay et al), 2003;50:636
- Gracilis muscle flap**  
reconstruction of through-and-through gunshot wounds to the feet with free gracilis muscle flaps (Pu et al), 2003;50:286
- Graft survival**  
factors affecting composite graft survival in digital tip amputations (Heistein and Cook), 2003;50:299
- Gunshot wounds**  
reconstruction of through-and-through gunshot wounds to the feet with free gracilis muscle flaps (Pu et al), 2003;50:286
- Hand**  
factors affecting composite graft survival in digital tip amputations (Heistein and Cook), 2003;50:299  
heterotopic replantation in mutilating hand injury (An et al), 2003;50:113  
perforator-based forearm and hand adipofascial flaps for the coverage of difficult dorsal hand wounds (Uysal et al, Reply by Medalie), 2003;50:103(Letters)  
resurfacing of a totally degloved hand using thin perforator-based cutaneous free flaps (Kim et al), 2003;50:77(Case report)  
surgical management of the hand in Freeman-Sheldon syndrome (Kalliainen et al), 2003;50:456  
surgical treatment of recessive dystrophic epidermolysis bullosa in the hand: uses of tissue-engineered skin (Apligraf) (Phillips and Rockwell), 2003;50:441(Letter)
- Head and neck**  
juvenile xanthogranuloma invading the muscles in the head and neck: clinicopathological case report (Margulis et al), 2003;50:425(Case report)
- Health outcomes**  
characteristics of women with cosmetic breast implants compared with women with other types of cosmetic surgery and population based controls in Denmark (Kjøller et al), 2003;50:6
- Hecht syndrome**  
surgical correction of trismus in a child with Hecht syndrome (Lefaiivre and Aitchison), 2003;50:310(Case report)
- Heel**  
single-stage Achilles tendon reconstruction using a composite sensate free flap of dorsalis pedis and tendon strips of the extensor digitorum longus in a complex wound (Kim et al), 2003;50:653(Case report)  
various applications of the medial plantar flap to cover the defects of the plantar foot, posterior heel, and ankle (Acikel et al), 2003;50:498
- Hemiglossectomy**  
swallowing function in patients who underwent hemiglossectomy: comparison of primary closure and free radial forearm flap reconstruction with videofluoroscopy (Hsiao et al), 2003;50:450
- Hemostatic agents**  
hemostatic effect of Vivostat patient-derived fibrin sealant on split-thickness skin graft donor sites (Drake and Wong), 2003;50:367
- Hernia**  
rotation flap of the anterior rectus abdominis sheath for hernia prevention in TRAM breast reconstruction (Amir et al), 2003;50:207(Tips and techniques)  
successful closure of abdominal wall hernias using the components separation technique (Ewart et al), 2003;50:269
- Hidradenitis suppurative**  
fasciocutaneous flap to treat verneuil disease (hidradenitis suppurative) in the axillary region (Giovannini et al), 2003;50:108(Letter)
- HIV**  
facial atrophy in HIV-related fat redistribution syndrome: anatomic evaluation and surgical reconstruction (Hodgkinson), 2003;50:328(Letter)
- Honey**  
honey-medicated dressing: transformation of an ancient remedy into modern therapy (Ahmed et al), 2003;50:142
- Hyperbaric oxygen therapy**  
effect of hyperbaric oxygen therapy on the tubed pedicle flap survival in a rat model (Richards et al), 2003;50:51
- Hypospadia**  
use of buccal mucosal grafts in hypospadias-crippled adult patients (Şahin and Seyhan), 2003;50:382
- Inframammary fold**  
inframammary fold reconstruction with a deepithelialized skin flap (Wechselberger et al), 2003;50:433(Tips and techniques)
- Intermaxillary fixation**  
intermaxillary fixation using drill-free screws (Fitton et al), 2003;50:104(Letter)
- Ischemia-reperfusion**  
age-dependent changes of postischemic reperfusion in rat skin (Inoue et al), 2003;50:64  
age-related differences of neutrophil activation in a skeletal muscle ischemia-reperfusion model (Mowlavi et al), 2003;50:403
- Keloids**  
effect of mitomycin C on keloid fibroblasts: an in vitro study (Simman et al), 2003;50:71

**Knee**

coverage of difficult wounds around the knee joint with prefabricated distally based sartorius muscle flap (Hong et al), 2003;50:484

**Lateral femoral cutaneous nerve**

documenting neuropathy of the lateral femoral cutaneous nerve using the pressure-specified sensory testing device (Coert and Dellon), 2003;50:373

**Leg**

reconsidering the soleus muscle flap for coverage of wounds of the distal third of the leg (Beck et al), 2003;50:631

**Letters**

about local anesthesia infiltration (Abenavoli and Corelli), 2003;50:666  
bends of the breast (Kamien), 2003;50:440  
bowenoid papulosis (Kargi et al), 2003;50:109  
Circumcision as an unusual cause of penile lymphedema (Yildirim et al), 2003;50:665  
conchal graft (Abenavoli et al), 2003;50:668  
cutaneous anthrax of the eyelid (Terzioglu, Reply by Bekerecioglu), 2003;50:104  
epineural sleeve neuroorrhaphy (Karacalar et al, Meek et al, Reply by Siemionow), 2003;50:101  
facial atrophy in HIV-related fat redistribution syndrome: anatomic evaluation and surgical reconstruction (Hodgkinson), 2003;50:328  
fasciocutaneous flap to treat verneuil disease (hidradenitis suppurative) in the axillary region (Giovannini et al), 2003;50:108  
honey cream (Abenavoli et al), 2003;50:105  
intermaxillary fixation using drill-free screws (Fitton et al), 2003;50:104  
intrafocal pinning of distal radius fractures: a simplified approach (Chunprapaph, Reply by Chung), 2003;50:664  
malignant clear-cell hidradenoma associated with pseudoepitheliomatous hyperplasia on the forehead (Harada et al), 2003;50:443  
obstetric mandibular fracture during episiotomy in vaginal delivery (Akbaş et al), 2003;50:440  
patient self-reported outcome after ulnar nerve transposition (Dellon), 2003;50:665  
perforator-based forearm and hand adipofascial flaps for the coverage of difficult dorsal hand wounds (Uysal et al, Reply by Medalie), 2003;50:103  
preemptive analgesia and a field block technique in reduction mammoplasty (Karacalar et al), 2003;50:667  
publication: *Discovery and Methods in Plastic Surgery* (Orticochea), 2003;50:110  
reconstruction of an oral cavity defect resulting from verrucous carcinoma with a prefabricated parietal galeal flap (Aytekin et al), 2003;50:106  
surgical treatment of recessive dystrophic epidermolysis bullosa in the hand: uses of tissue-engineered skin (Apligraf) (Phillips and Rockwell), 2003;50:441

tachyphylaxis and the sequential use of nerve blocks (Karacalar et al), 2003;50:442  
treatment of burn scars with the erbium:YAG laser (Aslan et al), 2003;50:222  
turnover epineural sheath tube in primary repair of peripheral nerves (Meek and Coert, reply by Yavuzer), 2003;50:328  
use of the real tumescent technique: anesthesia in the surgical management of lip cancer (Karacalar et al), 2003;50:107  
V-Y advancement flap (Peled), 2003;50:102

**Levator muscle**

use of orbicularis oculi muscle flap for undercorrected blepharoptosis with previous levator muscle resection (Tsai et al), 2003;50:292

**Limb tissue defects**

free flap coverage of upper and lower limb tissue defects in children: a series of 22 patients (Duteille et al), 2003;50:344

**Lip**

the cleft lateral lip element: do traditional markings result in secondary deformities? (Losee et al), 2003;50:594  
hemiphilum rotated flap (Velasco et al), 2003;50:480  
management of lower lip cancer: a retrospective analysis of 118 patients and review of the literature (Bilkay et al), 2003;50:43  
use of octyl-2-cyanoacrylate in cleft lip repair (Magee et al), 2003;50:1  
use of the real tumescent technique: anesthesia in the surgical management of lip cancer (Karacalar et al), 2003;50:107(Letter)

**Lymphedema**

Circumcision as an unusual cause of penile lymphedema (Yildirim et al), 2003;50:665(Letter)

**Macromastia**

innovations to the vertical reduction mammoplasty: making the transition (Chen et al), 2003;50:579

**Malar fat pad**

clinical analysis of malar fat pad re-elevation (de la Torre et al), 2003;50:244

**Malignant clear-cell hidradenoma**

malignant clear-cell hidradenoma associated with pseudoepitheliomatous hyperplasia on the forehead (Harada et al), 2003;50:443(Letter)

**Mammoplasty (Mammoplasty)**

fate of exposed breast implants in augmentation mammoplasty (Fodor et al), 2003;50:447  
innovations to the vertical reduction mammoplasty: making the transition (Chen et al), 2003;50:579  
management of breast cancer identified intraoperatively during reduction mammoplasty (Butler et al), 2003;50:193  
preemptive analgesia and a field block technique in reduction mammoplasty (Karacalar et al), 2003;50:667(Letter)  
tissue expansion after inverted-T mammoplasty:

- can it be performed successfully? (Kilgo et al), 2003;50:588
- Mammary vessel**  
use of internal mammary vessel perforator as a recipient vessel for free TRAM breast reconstruction (Park et al), 2003;50:132
- Mandibular fracture**  
obstetric mandibular fracture during episiotomy in vaginal delivery (Akbaş et al), 2003;50:440(Letter)
- Mastectomy**  
breast reconstruction in the elderly: preserving excellent quality of life (Giroto et al), 2003;50:572  
impact of immediate reconstruction on the local recurrence of breast cancer after mastectomy (Murphy Jr et al), 2003;50:333  
seroma prevention using an albumin-glutaraldehyde-based tissue adhesive in the rat mastectomy model (Menon et al), 2003;50:639  
skin-sparing mastectomy flap complications after breast reconstruction: review of incidence, management, and outcome (Hultman and Daiza), 2003;50:249  
transfusion requirements for TRAM flap postmastectomy breast reconstruction (Tzlinis et al), 2003;50:623
- Medical education**  
asthetic surgery 101: resident education in aesthetic surgery, the MGH experience (May Jr), 2003;50:561
- Melanoma**  
desmoplastic melanoma of the nail (Parodi et al), 2003;50:658(Case report)  
sentinel lymph node biopsy for the T1 (thin) melanoma: Is it necessary (Nahabedian et al), 2003;50:601
- Melanoma, metastatic**  
nodal metastatic melanoma in the neck of a 4-year-old girl after diagnosis of Spitz nevus of the cheek (Reynolds et al), 2003;50:555(Case report)
- Melanoma, primary**  
use of oncogene expression as an independent prognostic marker for primary melanoma (Grover et al), 2003;50:183
- Melkersson-Rosenthal syndrome**  
Melkersson-Rosenthal syndrome in the periocular area: a review of the literature and case report (Shapiro et al), 2003;50:644(Case report)
- Microscopic images**  
easy method of capturing microscopical images by using a consumer-type digital camera (Sönmez et al), 2003;50:204(Tips and techniques)
- Microvascular anastomosis**  
reactive thrombocytosis without endothelial damage does not affect the microvascular anastomotic patency (Kuo et al), 2003;50:57
- Mitomycin C**  
effect of mitomycin C on keloid fibroblasts: an in vitro study (Simman et al), 2003;50:71
- Motor nerves**  
innervation of calf muscles in relation to calf reduction (Hwang et al), 2003;50:517
- Mucosal grafts**  
influence of periosteum on donor healing after harvesting hard palate mucosa (Hatoko et al), 2003;50:25
- Nail**  
desmoplastic melanoma of the nail (Parodi et al), 2003;50:658(Case report)
- Nasal ala**  
composite earlobe grafts to reconstruct the lateral nasal ala and sill (Friedman et al), 2003;50:275
- Nerve blocks**  
tachyphylaxis and the sequential use of nerve blocks (Karacalar et al), 2003;50:442(Letter)
- Nerve stump**  
influence of nerve stump transplantation into a vein on neuroma formation (Koch et al), 2003;50:354
- Neuroma**  
influence of nerve stump transplantation into a vein on neuroma formation (Koch et al), 2003;50:354
- Neuropathy**  
documenting neuropathy of the lateral femoral cutaneous nerve using the pressure-specified sensory testing device (Coert and Dellon), 2003;50:373
- Neurorrhaphy**  
epineural sleeve neurorrhaphy (Karacalar et al, Meek et al, Reply by Siemionow), 2003;50:101(Letter), 2003;50:101(Letters)
- Neutrophil activation**  
age-related differences of neutrophil activation in a skeletal muscle ischemia-reperfusion model (Mowlavi et al), 2003;50:403
- Nipple**  
breast-aerola-nipple proportion (Hauben et al), 2003;50:510
- Nipple-areolar complex**  
new technique for nipple areola reconstruction: arrow flat and rib cartilage graft for long-lasting nipple projection (Guerra et al), 2003;50:31
- Nipple projection**  
new technique for nipple areola reconstruction: arrow flat and rib cartilage graft for long-lasting nipple projection (Guerra et al), 2003;50:31
- Notch deformity**  
anatomic basis of notch deformity in open rhinoplasty (Gamboa et al), 2003;50:282
- Octyl-2-cyanoacrylate**  
use of octyl-2-cyanoacrylate in cleft lip repair (Magee et al), 2003;50:1
- Oncogene expression**  
use of oncogene expression as an independent prognostic marker for primary melanoma (Grover et al), 2003;50:183

# **Operative techniques**

new operative technique for treatment of xanthelasma palpebrarum: laser-inverted resurfacing: preliminary report (Levy and Trelles), 2003;50:339

# **Oral cavity**

reconstruction of an oral cavity defect resulting from verrucous carcinoma with a prefabricated parietal galeal flap (Aytekin et al), 2003;50:106(Letter)

# **Orbicularis oculi muscle**

upper blepharoplasty with lateral segmental orbicularis excision (Widgerow), 2003;50:471  
use of orbicularis oculi muscle flap for undercorrected blepharoptosis with previous levator muscle resection (Tsai et al), 2003;50:292

# **Orbital exenteration**

orbital reconstruction after exenteration: use of a transorbital temporal muscle flap (Menon et al), 2003;50:38

# **Osteosynthesis**

osteosynthesis in digital replantation using bioabsorbable rods (Arata et al), 2003;50:350

# **Outpatient surgery**

outpatient urethrocuteaneous fistula repair with local anesthesia in adult patients (Şahin et al), 2003;50:378

# **Palate**

influence of periosteum on donor healing after harvesting hard palate mucosa (Hatoko et al), 2003;50:25  
palatal surface area measurement: comparisons among different cleft types (Lo et al), 2003;50:18

# **Pediatrics**

free flap coverage of upper and lower limb tissue defects in children: a series of 22 patients (Duteille et al), 2003;50:344  
juvenile xanthogranuloma invading the muscles in the head and neck: clinicopathological case report (Margulis et al), 2003;50:425(Case report)  
nodal metastatic melanoma in the neck of a 4-year-old girl after diagnosis of Spitz nevus of the cheek (Reynolds et al), 2003;50:555  
reconstruction after total penile amputation and emasculation (Shaw et al), 2003;50:321(Case report)  
surgical correction of trismus in a child with Hecht syndrome (Lefaiivre and Aitchison), 2003;50:310(Case report)  
surgical management of the hand in Freeman-Sheldon syndrome (Kalliainen et al), 2003;50:456

# **Penile amputation**

reconstruction after total penile amputation and emasculation (Shaw et al), 2003;50:321(Case report)

# **Penile anomaly**

subglanular stricture: rare penile anomaly resulting from circumcision (Coban), 2003;50:198(Case report)

# **Penile reconstruction**

glans, urethra, and corporeal body reconstruction by free osteocutaneous forearm flap transfer (Santanelli and Paolini), 2003;50:545(Case report)

# **Penile repair**

use of buccal mucosal grafts in hypospadias-crippled adult patients (Şahin and Seyhan), 2003;50:382

# **Penis**

Circumcision as an unusual cause of penile lymphedema (Yıldırım et al), 2003;50:665(Letter)

# **Periosteum**

influence of periosteum on donor healing after harvesting hard palate mucosa (Hatoko et al), 2003;50:25

# **Peripheral nerves**

turnover epineural sheath tube in primary repair of peripheral nerves (Meek and Coert, reply by Yavuzer), 2003;50:328(Letter)

# **Pharyngeal flaps. *see* Flaps, pharyngeal**

# **Philtrum**

hemiphiltrum rotated flap (Velasco et al), 2003;50:480

# **Plastic surgery**

plastic surgery: its roots and rewards (Edgerton), 2003;50:240

# **Pneumoperitoneum**

preoperative pneumoperitoneum used for tissue expansion before abdominal wall reconstruction (Braye et al), 2003;50:649(Case report)

# **Population control studies**

characteristics of women with cosmetic breast implants compared with women with other types of cosmetic surgery and population based controls in Denmark (Kjøller et al), 2003;50:6

# **Preconditioning**

dual preconditioning: effects of pharmacological plus ischemic preconditioning on skin flap survival (Hosnutter et al), 2003;50:398

# **Pressure-specified sensory testing device**

documenting neuropathy of the lateral femoral cutaneous nerve using the pressure-specified sensory testing device (Coert and Dellon), 2003;50:373

# **Prognostic markers**

use of oncogene expression as an independent prognostic marker for primary melanoma (Grover et al), 2003;50:183

# **Prostheses**

early rehabilitation of facial defects using interim removable prostheses: report of two clinical cases (Toljanic et al), 2003;50:188(Case report)

# **Pseudoepitheliomatous hyperplasia**

malignant clear-cell hidradenoma associated with pseudoepitheliomatous hyperplasia on the forehead (Harada et al), 2003;50:443(Letter)

# **Quality of life**

breast reconstruction in the elderly: preserving

excellent quality of life (Giroto et al), 2003;50:572

### **Rabbits**

effect of lyophilized heterologous collagen on new cartilage formation from perichondrial flaps in rabbits: an experimental study (Özbek et al), 2003;50:528

growth difference of multilayer onlay cartilage grafts in rabbit ears (Hwang et al), 2003;50:177

revascularization of human acellular dermis in full-thickness abdominal wall reconstruction in the rabbit model (Menon et al), 2003;50:523

### **Radial fracture**

intrafocal pinning of distal radius fractures: a simplified approach (Chunprapaph, Reply by Chung), 2003;50:664(Letter)

### **Radiation**

simple approach to the radiated scalp wound using INTEGRA skin substitute (Gonyon and Zenn), 2003;50:315(Case report)

### **Rats**

age-dependent changes of postischemic reperfusion in rat skin (Inoue et al), 2003;50:64

cranial epigastric perforator flap: a rat model of a true perforator flap (Hallock and Rice), 2003;50:393

effect of hyperbaric oxygen therapy on the tubed pedicle flap survival in a rat model (Richards et al), 2003;50:51

effects of abdominal midline incision on the survival of the transverse rectus abdominis musculocutaneous flap in the rat model (Han et al), 2003;50:171

reactive thrombocytosis without endothelial damage does not affect the microvascular anastomotic patency (Kuo et al), 2003;50:57

### **Rectus femoris muscle**

dynamic reconstruction of large abdominal defects using a free rectus femoris musculocutaneous flap with normal motor function (Koshima et al), 2003;50:420(Case report)

### **Reimplantation**

two examples of reimplantation from Croatian sacral patrimony (Skrobonja et al), 2003;50:412

### **Resurfacing**

new operative technique for treatment of xanthelasma palpebrarum: laser-inverted resurfacing: preliminary report (Levy and Trelles), 2003;50:339

resurfacing of a totally degloved hand using thin perforator-based cutaneous free flaps (Kim et al), 2003;50:77(Case report)

### **Revascularization**

revascularization of human acellular dermis in full-thickness abdominal wall reconstruction in the rabbit model (Menon et al), 2003;50:523

### **Rhinoplasty**

anatomic basis of notch deformity in open rhinoplasty (Gamboa et al), 2003;50:282

### **Rib cartilage graft**

new technique for nipple areola reconstruction: arrow flat and rib cartilage graft for long-lasting nipple projection (Guerra et al), 2003;50:31

### **Sacral defects**

interdigitating fasciocutaneous gluteal V-Y advancement flaps for reconstruction of sacral defects (Ay et al), 2003;50:636

### **Sacral patrimony**

two examples of reimplantation from Croatian sacral patrimony (Skrobonja et al), 2003;50:412

### **Sartorius muscle**

coverage of difficult wounds around the knee joint with prefabricated distally based sartorius muscle flap (Hong et al), 2003;50:484

### **Scalp**

first successful replantation of face and scalp with single-artery repair: model for face and scalp transplantation (Wilhelmi et al), 2003;50:535(Case report)

### **Scalp wound**

simple approach to the radiated scalp wound using INTEGRA skin substitute (Gonyon and Zenn), 2003;50:315(Case report)

### **Secondary deformities**

the cleft lateral lip element: do traditional markings result in secondary deformities? (Losee et al), 2003;50:594

### **Sentinel lymph node**

sentinel lymph node biopsy for the T1 (thin) melanoma: Is it necessary (Nahabedian et al), 2003;50:601

### **Seroma**

delayed seroma formation secondary to docetaxel (Sultan and Madhere), 2003;50:429(Case report)

seroma prevention using an albumin-glutaraldehyde-based tissue adhesive in the rat mastectomy model (Menon et al), 2003;50:639

### **Shoulder**

pedicle or free musculocutaneous flaps for shoulder defects after oncological resection (Ihara et al), 2003;50:361

### **Skeletal muscle**

age-related differences of neutrophil activation in a skeletal muscle ischemia-reperfusion model (Mowlavi et al), 2003;50:403

### **Skin cancer**

how accurate is frozen section for skin cancers? (Manstein et al), 2003;50:607

### **Skin damage**

age-dependent changes of postischemic reperfusion in rat skin (Inoue et al), 2003;50:64

### **Skin expansion**

skin expansion before breast reconstruction with the superior gluteal artery perforator flap improves aesthetic outcome (Gurunluoglu et al), 2003;50:475

**Skin flaps. see Flap**

**Skin graft**

- hemostatic effect of Vivostat patient-derived fibrin sealant on split-thickness skin graft donor sites (Drake and Wong), 2003;50:367
- modification of split-thickness skin graft: cosmetic donor site and better recipient site (Chuenkongkaew), 2003;50:212(Tips and techniques)
- vertical (two-layer) skin grafting: new reserves for autologic skin (Kogan and Govrin-Yehudain), 2003;50:514

**Skin injury**

- effect of mitomycin C on keloid fibroblasts: an in vitro study (Simman et al), 2003;50:71

**Skin substitute**

- simple approach to the radiated scalp wound using INTEGRA skin substitute (Gonyon and Zenn), 2003;50:315(Case report)

**Soft-tissue defects**

- one-stage reconstruction of soft tissue and Achilles tendon defects using a composite free anterolateral thigh flap with vascularized fascia lata: clinical experience and functional assessment (Kuo et al), 2003;50:148
- pedicle or free musculocutaneous flaps for shoulder defects after oncological resection (Ihara et al), 2003;50:361

**Soleus muscle flap**

- reconsidering the soleus muscle flap for coverage of wounds of the distal third of the leg (Beck et al), 2003;50:631

**Speech**

- short-term and long-term results of speech improvement after surgery for velopharyngeal insufficiency with pharyngeal flaps in patients younger and older than 6 years old: 10-year experience, 2003;50:13

**Spitz nevus**

- nodal metastatic melanoma in the neck of a 4-year-old girl after diagnosis of Spitz nevus of the cheek (Reynolds et al), 2003;50:555

**Squamous cell carcinoma**

- free anterolateral thigh perforator flap for reconstruction of dystrophic epidermolysis bullosa-associated squamous cell carcinoma in the foot (Hsieh et al), 2003;50:201(Case report)

**Stem cells**

- biological alchemy: engineering bone and fat from fat-derived stem cells (Lee et al), 2003;50:610

**Subglanular stricture**

- subglanular stricture: rare penile anomaly resulting from circumcision (Coban), 2003;50:198(Case report)

**Surgical competence**

- use of suturing as a measure of technical competence (Khan et al), 2003;50:304

**Suture suspension**

- clinical analysis of malar fat pad re-elevation (de la Torre et al), 2003;50:244

**Suture techniques**

- use of suturing as a measure of technical competence (Khan et al), 2003;50:304

**Swallowing**

- swallowing function in patients who underwent hemiglossectomy: comparison of primary closure and free radial forearm flap reconstruction with videofluoroscopy (Hsiao et al), 2003;50:450

**Tachyphylaxis**

- tachyphylaxis and the sequential use of nerve blocks (Karacalar et al), 2003;50:442(Letter)

**Temporalis muscle**

- orbital reconstruction after exenteration: use of a transorbital temporal muscle flap (Menon et al), 2003;50:38

**Teratoma**

- cleft palate with congenital midline teratoma (Liang et al), 2003;50:550(Case report)

**Thrombocytosis**

- reactive thrombocytosis without endothelial damage does not affect the microvascular anastomotic patency (Kuo et al), 2003;50:57

**Thrombosis**

- short-term postoperative flow changes after free radial forearm flap transfer: possible cause of vascular occlusion (Ichinose et al), 2003;50:160

**Tips and techniques**

- easy method of capturing microscopical images by using a consumer-type digital camera (Sönmez et al), 2003;50:204(Tips and techniques)
- inframammary fold reconstruction with a deepithelialized skin flap (Wechselberger et al), 2003;50:433
- modification of split-thickness skin graft: cosmetic donor site and better recipient site (Chuenkongkaew), 2003;50:212(Tips and techniques)
- rotation flap of the anterior rectus abdominis sheath for hernia prevention in TRAM breast reconstruction (Amir et al), 2003;50:207(Tips and techniques)

**Tissue adhesive**

- seroma prevention using an albumin-glutaraldehyde-based tissue adhesive in the rat mastectomy model (Menon et al), 2003;50:639
- use of octyl-2-cyanoacrylate in cleft lip repair (Magee et al), 2003;50:1

**Tissue-engineered skin**

- surgical treatment of recessive dystrophic epidermolysis bullosa in the hand: uses of tissue-engineered skin (Apligraf) (Phillips and Rockwell), 2003;50:441(Letter)

**Tissue engineering**

- biological alchemy: engineering bone and fat from fat-derived stem cells (Lee et al), 2003;50:610

**Tissue expansion**

- preoperative pneumoperitoneum used for tissue expansion before abdominal wall reconstruction (Braye et al), 2003;50:649(Case report)
- tissue expansion after inverted-T mammaplasty:

- can it be performed successfully? (Kilgo et al), 2003;50:588
- Tissue regeneration**  
future of fat as raw material for tissue regeneration (De Ugarte et al), 2003;50:215
- Tongue furrowing**  
Melkersson-Rosenthal syndrome in the periocular area: a review of the literature and case report (Shapiro et al), 2003;50:644(Case report)
- TRAM.** *see also* Flap
- TRAM flap**  
effects of abdominal midline incision on the survival of the transverse rectus abdominis musculocutaneous flap in the rat model (Han et al), 2003;50:171  
free perforator crossover tram flap for breast reconstruction (Lam et al), 2003;50:126  
influence of vascular delay on abdominal wall complications in unipedicled TRAM flap breast reconstruction (Rickard et al), 2003;50:138  
use of internal mammary vessel perforator as a recipient vessel for free TRAM breast reconstruction (Park et al), 2003;50:132
- Transfusion**  
transfusion requirements for TRAM flap postmastectomy breast reconstruction (Tzilinis et al), 2003;50:623
- Transplantation**  
first successful replantation of face and scalp with single-artery repair: model for face and scalp transplantation (Wilhelmi et al), 2003;50:535(Case report)  
influence of nerve stump transplantation into a vein on neuroma formation (Koch et al), 2003;50:354
- Trismus**  
surgical correction of trismus in a child with Hecht syndrome (Lefaivre and Aitchison), 2003;50:310(Case report)
- Ulnar nerve**  
patient self-reported outcome after ulnar nerve transposition (Dellon), 2003;50:665(Letter)
- Upchurch Lecture**  
what are we thinking (you and I) (Furlow), 2003; 50:225
- Urethra**  
glans, urethra, and corporeal body reconstruction by free osteocutaneous forearm flap transfer (Santanelli and Paolini), 2003;50:545(Case report)
- Urethrocuteaneous fistula**  
outpatient urethrocuteaneous fistula repair with local anesthesia in adult patients (Şahin et al), 2003;50:378
- Vaginal delivery**  
obstetric mandibular fracture during episiotomy in vaginal delivery (Akbaş et al), 2003;50:440(Letter)
- Velopharyngeal insufficiency**  
short-term and long-term results of speech improvement after surgery for velopharyngeal insufficiency with pharyngeal flaps in patients younger and older than 6 years old: 10-year experience, 2003;50:13
- Videofluoroscopy**  
swallowing function in patients who underwent hemiglossectomy: comparison of primary closure and free radial forearm flap reconstruction with videofluoroscopy (Hsiao et al), 2003;50:450
- Vulvar cancer**  
vulvo-perineal reconstruction: medial thigh septo-fascio-cutaneous island flap (Persichetti et al), 2003;50:85(Case report)
- Vulvo-perineal reconstruction**  
vulvo-perineal reconstruction: medial thigh septo-fascio-cutaneous island flap (Persichetti et al), 2003;50:85(Case report)
- Wounds**  
coverage of difficult wounds around the knee joint with prefabricated distally based sartorius muscle flap (Hong et al), 2003;50:484  
honey-medicated dressing: transformation of an ancient remedy into modern therapy (Ahmed et al), 2003;50:142  
reconsidering the soleus muscle flap for coverage of wounds of the distal third of the leg (Beck et al), 2003;50:631  
single-stage Achilles tendon reconstruction using a composite sensate free flap of dorsalis pedis and tendon strips of the extensor digitorum longus in a complex wound (Kim et al), 2003;50:653(Case report)
- Xanthlasma palpebrarum**  
new operative technique for treatment of xanthelasma palpebrarum: laser-inverted resurfacing: preliminary report (Levy and Trelles), 2003;50:339
- Xanthogranuloma**  
juvenile xanthogranuloma invading the muscles in the head and neck: clinicopathological case report (Margulis et al), 2003;50:425(Case report)
